Assembling

PROCESS

1. Start by making the recipes and follow the methods

below the recipes.

2. When the dessert is frozen, demold it and spray velvet with yellow chocolate spray.
3. Make a ribbon of chocolate (see pictures) and place around the pastry.
4. After dipping the eggs, cut one egg in four pieces, so you will have a nice view on the inside of the egg.
5. Decorate the dessert with the eggs, small dots of passionfruit coulis, chocolate stick and logo.
6. On the moment of serving the dessert, finish with pineapple pieces around the pastry.
7. Finish the plated dessert as you can see on the picture
