Chocolate decoration

PROCESS

Use [Leman Decorations velvet spray red, code: 24773](#), to brush the rose velvet. Use [Leman Decorations gold glitter, code: 22952](#), neutral jelly for drops and some dried rose petals for the finishing touch!

Assembling

PROCESS

1. Start by making the recipe and follow the methods below the recipes.
2. Make separate the interieur of the cake, inside a 10cm cake ring.
3. Start with one layer of chocolate sponge. On top of the chocolate sponge, you will add a layer of Raspberry compote. Put another layer of sponge on top of the compote. Divide a layer of red fruits cremeux on top of the second sponge layer. Make

sure the interior is not higher than 3cm. Place the interior into the freezer.

4. Make the dark milk chocolate mousse. Prepare a cake ring 12cm with plastic sheet/band and fill half with the mousse.
5. Insert the frozen interior in the middle of the cake ring. Make it straight (4cm high) in total and finish on top with a layer of almond crunchy (recipe 1). Place the cakes in the freezer.
6. Whip up the milk chocolate cream and use a flower nozzle, to make the cream rose decoration (round 10cm). Spray velvet with red chocolate spray when the rose is frozen.
7. Glaze the cake with the red chocolate glaze and place the frozen rose on top.
8. Finish the cake with dried rose petals and some drop of neutral jelly.
